

ALBERTO VILLEGAS

Quality Assurance & Historical Consultant

EXPERIENCE

- 10/2024 - Present** **Hungry Pixel**
Quality Assurance (QA) Tester
- Learned to effectively use testing techniques such as negative, confirmation, and regression testing.
 - Developed an efficient communication across the team, making the debugging process as smooth as possible by effectively reporting issues through Trello.
 - Helped design certain mechanics and levels through my work as a QA tester.
- 2024** **BeastArts - VR Project**
Quality Assurance (QA) Tester
- Led testing for the Hyundai VR project, using exploratory testing to identify issues.
 - Designed test suites to involve the whole team, improving efficiency and test coverage..
- 10/2023 - 07/2024** **Pintxos & Tapas/Green Neighbour (Aarhur - Denmark)**
Service and Kitchen Manager
- Managed the establishment fully, overseeing opening to closing, stock control, kitchen supervision, and customer service.
 - Developed skills in team coordination, operations management, and working under pressure.

EDUCATION

- 2018 - 2024** **Degree in History**
UGR (University of Granada)
- Specialized in Contemporary History, believing that this period offers the best insight into understanding the world we live in today
 - Developed and honed a scientific and critical approach to analyzing sources and media, crucial for my studies and research.
- 2022** **Erasmus+ Tromsø Program**
The Arctic University of Norway, Tromsø
- Specialized in the history and cultural heritage of the Sami Indigenous Peoples.
 - Explored topics related to human rights, offering a unique perspective on global history from the Arctic region.
